

Freight Foil®

Aluminum Vapor Barrier Bags

By **WeCrate**

WHY CHOOSE OUR BAG?

Our Freight Foil barrier bags provide unmatched cargo protection, combining lightweight design with superior strength. Moisture, dust, and corrosion are locked out, keeping goods safe across air, sea, and road. Durable, compliant, and cost-effective – the smarter packaging choice.

CUSTOM MADE TO FIT YOUR CARGO

Moisture Barrier Corrosion Control

AIR FREIGHT

Lightweight, durable barrier bag ensures superior moisture protection, reduced weight, compliance, and cost savings for airfreight shipments.

OCEAN FREIGHT

Heavy-duty aluminum barrier bag safeguards against saltwater, humidity, and corrosion, ensuring secure, compliant, cost-effective sea shipments.

ROAD FREIGHT

Durable, puncture-resistant barrier bag shields cargo from dust, rain, and vibration, ensuring safer, compliant, cost-effective transport.
